DETAILED ACTION

1. Applicant's request for consider of restricted claims 10-22 filed 1/26/06 is noted. The traversal on the ground(s) that there is no serious burden for the examiner to also examine claims 10-22 along with elected claims 1-9 is not found persuasive because as stated in previous office action the examination of multiple patentable distinct species together would create burden to the examiner due to different searches and examination.

The requirement is still deemed proper and is therefore made FINAL.

Conclusion

2. This application is in condition for allowance except for the following formal matters:

Claims 10-22 drawn to non-elected species.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
